a local allowance of Rs 20/- and the
usual travelling allowance under the
Madras Service Regulations as re-
commended by the Senior Surgeon to
the Secretary to Govt. P. H. D., and that
subsequent to the transfer of the
turbines the charge was being met

4 An enquiry somewhat similar to the one made by the P. & B. Branch (para 3) has been made in para 7 of the order reviewing the Revised Budget of the Mysore City Municipality for the current year (Please see extract of order put up). The President has also been asked to state why this work of rendering medical aid at the bazaar station should not be done by the Health Officer of the Mysore City.

5 May the bills now received be, nevertheless, sanctioned and the Comptroller authorized to admit such charges till final orders shall have been passed on receipt of further report from the President. The charge on account of draft submitted the charge on account of medical allowance will be met out of Municipal funds and that on account of travelling allowance will under the Code rules, be debited to the funds from which the recipient's pay is met.

In reply, the Senior Surgeon states that a Hospital Assistant could be sent to the Pumping Station without inconvenience, but that the station being much nearer Seringapatam and the Hospital Assistant there being a Senior Hospital Assistant, it is more desirable that the present arrangement should continue.

~~Remission of order~~

23.

In the event of the Hospital Assistant at Seringapatam being allowed to

to render medical aid at the Pumping Station as heretofore as recommended by the Senior Surgeon, the question relating to the Hospital Assistant's traveling allowance has to be decided. In this connection the Comptroller has made a reference to Govt (vide no. 515 dated the 24th October 1903). He states that, under Art: 551 of the Mysore Service Regulations, the Hospital Assistant is not entitled to traveling allowance as the distance between Seringapatam to Belagola Turbine House does not exceed 5 miles. The Hospital Assistant claimed only Rs 10/- for each of his journeys in December '02 & January 1903 & the claim was allowed by Govt in G.P. no. ⁵⁶⁻⁷ ~~56-7~~ dated the 22nd July 1903. The Comptroller states that according to the Hospital Assistant's own calculation he was entitled to Rs 22-0-0 & Rs 20/- at Rs 2 1/2 for each

each day's journey, and that nevertheless
the bills have been audited as the same were
sanctioned by Government. The Vice-President
is stated to have explained that
at Rs 10/- per mensem and
the travelling allowance claimed, and
in Pro No 56-7 of 22nd June 1903
sanctioned ^{Rs 14/-} should be treated as "Fixed"
travelling allowance". The Comptroller ac-
cordingly solicits instructions as to
whether the travelling allowance sanc-
tioned ^{in the said Pro:} should be regarded as "Permanent
travelling allowance within the meaning of
Art. 543 and whether it may be
continued to be paid every month as
such until further orders.

no change of agency is

SIR,

With reference to Government order no. $\frac{1107}{56-7}$ $\frac{2.7.144-9}{}$
 dated 2nd July 1903 sanctioning the Travelling allowance
 bills of the senior Hospital Assistant of the
 Seringapatam Dispensary for December 1902
 and January 1903, I have the honor to
 state that under article 551 of the Mysore
 Service Regulation the Hospital assistant
 is not entitled to travelling allowance as
 the distance between Seringapatam to
 Belagola Turbine House does not exceed
 5 miles. Further he has claimed only Rs 10/-
 for each of those two months, whereas he
 according to his own calculation was entitled
 to Rs 22/8/- at Rs 2/8 for each day's -
 journey to and from the Balagola Turbine

house, for the 9 days he travelled in December 1902, and Rs 20 for the 8 days in January 03. However the bills having been sanctioned by Government as claimed by the Hospital assistant they have been passed and returned.

On enquiry by this office, the Vice-President explains that the amount of Travelling allowance claimed and sanctioned should be treated as Fixed Travelling allowance, but as the Government order under reference is silent on the point, I request to be informed whether the Travelling allowance sanctioned should be regarded as Permanent Travelling allowance within the meaning of article 543 and whether it may be continued to be paid every month as such until further orders.
